**ORDER REGARDING ISSUE OF
 STAY**

The Court has received the parties' joint case management statement. In that statement, the parties raise a dispute regarding the issue of a potential stay of this case, and they state that they "anticipate discussing these issues with the Court at the conference on June 12." (Joint Case Management Statement at 6:9-10.) The Court, in general, does not discuss substantive legal issues that are more properly addressed by way of motion practice at case management conferences. Therefore, if there is a dispute over whether all or some of these matters should be stayed, the Court will address that issue by way of a properly noticed motion or motions.

//

//

1 The parties shall be prepared to discuss a potential hearing date and briefing schedule
2 for such a motion or such motions.

3 **IT IS SO ORDERED.**
